STAFF CORNER

Carol Perkey

Carol is our newest Advocate and soon to be Forensic Interviewer! She is committed to providing comforting and meaningful care to our children & families. We're happy to have her on our team!

Julia Goodman

Julia is our Lyon College Intern and she is quickly learning all things CAC. Her enthusiasm for the work we do here is uplifting to all of our staff and we look forward to working with her!

Community Outreach

During the summer we made presentations at Southside School for The Future Story showcase and hosted a booth at the Midland Open House. We had the amazing opportunity to share who we are and what we do with school educators, professionals, resource officers, and families at these events!

LOCAL HEROES

FURNITURE-4-LESS FOR THE WIN!!

Today, we're celebrating a truly generous donation from **Bill Holifield and Furniture-4-Less**. Because of their generous gift, a family in need will have beds for their three children. This makes such a meaningful impact on the lives of the children and families we serve!

Thanks to the unwavering support of amazing individuals like **YOU**, our mission to help child abuse victims is getting stronger by the day!!
